

COST-PER-USE COMPARISON TABLE

BOWA MEDICAL bipolar cables are designed to support efficient theatre workflows and sustainable procurement strategies through reusable design and long-term utilisation potential. Selected BOWA MEDICAL bipolar cables can achieve an estimated cost-per-use of approximately £0.21 per procedure, supporting a lower total cost of ownership over time compared with standard reusable market alternatives.

Product Type	Estimated Purchase Cost	Estimated Lifespan / Uses	Estimated Cost Per Use
BOWA MEDICAL Reusable Bipolar Cable	~£66.88*	~300 uses*	~£0.21*
Typical Market Cable	~£35-£60*	~50 uses*	~£0.70-£1.20*
Alternative Reusable Cable	~£45-£75*	~100 uses*	~£0.45-£0.75*
General Single-Use Bipolar Cable	~£4-£8 per cable*	1 use	~£4.00-£8.00*
